CASE STUDY

In a business partnership, Coseke Uganda supplied and installed her robust i4600 Kodak scanners to Computer Warehouse Group Uganda office.

Coseke offered support and maintenance on contract basis to the scanners for a period of more than two years. During then Computer Warehouse group enjoyed the advantages of using these production scanners.

i4600 scanners *Turned Chaos into Efficiency and Efficiency into Advantage* for Computer Warehouse Group.

Who is Computer Ware House Group

Computer warehouse is an information and communication technology company operating in Africa. The company offers integrated ICT solutions that add value to the operations of

ABOUT COSEKE

diverse clientele, using highly skilled and well-motivated workforce.

Digitizing and managing a whirlwind of documents just got easier for CWG. With the most versatile capture solution Kodak has ever built, CWG was ready for production scanning the day they opened the box. By Using the all-new KODAK i4000 Plus Series Scanners productivity at CWG was taken to new heights.

Simplicity and ease of integration

Kodak's Smart Touch Feature delivered out-of-the-box productivity that easily automated multiple tasks with powerful "one touch" scanning.

Ergonomic design for easier loading and unloading.

The i4600 capture platform allowed for easy upgrades and simple integration with CWG's existing processes.

Output to multiple file formats and destinations, and scan to other applications.

Worry-free, consistent image quality

Kodak's Perfect Page Technology made adjusting scanner settings a thing of the past for computer Ware house group

Perfect Page image processing provided exceptional scans and images time after time, even from less-than-perfect documents, reducing the need for rescans and post-image processing.

Streak Filtering corrects for real-world conditions you can't control, such as dust.

Longevity and ease of mind

When volume increased, enhanced functionality and speed were easily added — it's the only scanner series in its class that allows field upgrades.

Rugged design and steel-welded frame ensured high performance and reliability.

Thank you Computer Warehouse Group for doing Business with **COSEKE UGANDA LIMITED**
