Supply and  
Installation of  
Anydoc Licenses

## CASE STUDY

The Uganda Bureau of Statistics (UBOS) is an agency of the Government of Uganda, the third-largest economy in East Africa. Formed by Act of Parliament in 1998, the agency is mandated to "coordinate, monitor and supervise Uganda's national statistical system".

### **SOLUTION**

COSEKE Uganda Limited was contracted by UBOS to Supply and Install Anydoc Licenses. This software was to be used by UBOS to automate the data entry activities by automatically converting text information on scanned forms to digital format. Using technologies like OCR, ICR, and BCR etc.

### **SUPPORT**

This project also included provision of technical support and related services. COSEKE Technical Support Services were designed to help Uganda Bureau of Statistics (UBOS) get the most value using the automated data capture and forms processing Software through, effective and responsive support and a range of self-help resources.

The support activities that were provided to UBOS included finalization of the configuration specifications, Installation and testing and periodic software maintenance.

Support included that rendered during the scaling of the environment from the test environment in the earlier phase to the production environment. The support offered also included technical support in the testing of the production environment to ensure that it is consistent with the data capture needs of the UBOS.
